## ABOUT SHANGHAI TANG

Shanghai Tang, the luxury Chinese lifestyle brand, was founded by the late international celebrity Sir David Tang, KBE, in Hong Kong in 1994. Known as the “Last Nobleman of Hong Kong”, the forward-looking Sir David also founded China Club, Asia’s top private club, in the 1990s.

With his outstanding taste and prominent international position, Sir David Tang led Shanghai Tang to boldly innovate with a unique vision that integrates Chinese and Western cultures. By combining exceptional traditional Chinese craftsmanship and cultural symbols, Shanghai Tang has created many iconic works since its establishment. In becoming an archetype of the oriental aestheti that represents China to the world, Shanghai Tang has attracted many international celebrities as loyal fans and followers.

From “Inspired by China” to “Created by Chinese”, today’s Shanghai Tang stays true to its founding core values while continually evolving to deeply resonate with contemporary Chinese culture. As the ideal purveyor of a cosmopolitan high-end lifestyle, Shanghai Tang embodies everything it means to be a Chinese luxury brand. Spanning haute couture, ready-to-wear, accessories, homeware and more, Shanghai Tang integrates traditional culture and craftsmanship with a modern aesthetic and perspective to present the essence of the oriental lifestyle.

## SCENTED CANDLE

Composed of a detachable ceramic lid and a glass base, this scented candle is unique in design, art deco and functionality. The ceramic top is hand-made by craftsmen in Jingdezhen, the "City of Chinese Porcelain", using special kiln firing techniques, developing a craftsmanship comparable to world-class works of art.

The "Imperial Tea Garden · Fragrant Tea" pattern on the bottle is an exclusive design for this series carefully painted by hand. The scented candle ceramic cover can be used as a candle extinguisher, and the top space can be used to store igniters, candle scissors and other tools.

## 香薰蜡烛

香薰蜡烛由可拆卸陶瓷盖与玻璃底座组成，设计新颖独特，兼具装饰艺术和功能性。陶瓷盖由“中国瓷器之都”——景德镇匠人采用特殊烧窑技术手工打造，匠心工艺媲美世界级艺术品，瓶身的“御茶园·香茗图”图案更为此系列的独家设计，纯手工细致描绘图案。香薰蜡烛陶瓷盖可作为灭烛器使用，顶部空间可用于存放打火机、蜡烛剪等工具。

## LACQUERED BOXES

The ancient technique of lacquering was developed in China during the Shang dynasty (1600-1046 BC) and became a highly artistic craft. During the Han dynasty (206 BC-22 AD), new techniques elevated the art by colouring with pigment or gold inlay. These stunning boxes by Shanghai Tang feature modern Chinese motifs and are a versatile home accessory that can be used as a jewellery box, a playing card holder, or simply a luxurious decoration.

### 漆盒

中国传统漆器工艺在殷商时期（约公元前 1600 年—约公元前 1046 年）逐渐成型，并具有独特的艺术观赏性；其色彩工艺在汉代得以革新并发展。上海滩 SHANGHAI TANG 精美漆盒，融合当代中式元素，与家居装饰需求，可作为饰品、纸牌收纳，或成为奢华居家装饰品。
